HEALTHCARE EQUIPMENT

Aidacare & NSW Health

Aidacare are proud to be recognised as a NSW HealthShare / EnableNSW contracted service provider for a large range of products included in the recently announced Beds and Mattresses contract. Our commitment to all NSW HealthShare stakeholders including prescribing health care professionals and most importantly, the NSW HealthShare client, is to provide the very best service and product quality available.

For the healthcare prescriber, Aidacare offer industry leading support to assist in the provision of equipment for your clients.

- All contracted products are available for trial, anywhere in New South Wales, to enable assessment of suitability for your clients specific needs. Our equipment consultants can meet with you at any location, including client's private homes, to demonstrate and trial items.
- Dedicated NSW HealthShare display stock located in each of the Aidacare showrooms is available to enable prescribers to meet with clients on-site to trial and assess all required items in a professional environment.
- Many Aidacare showrooms even offer prescribers use of a private office and meeting room to utilise while meeting with clients or just to catch up on admin and reports.
- Specialist Complex Rehab & Seating staff to assist and support with prescription of customised and specialised equipment.
- Clinical education and support via the Aidacare Professional Training program and workshops.
- Service and repair of all contracted items with our workshop and mobile technicians.

General customer service and support including the booking of trials and any general advice and information required.

Our electronic catalogue is available for download at www.aidacare.com.au/globalassets/resources

For information on any of the extensive range of products available from Aidacare, please browse the complete online Aidacare catalogue at www.aidacare.com.au

For additional information, please contact your local Aidacare office directly on 1300 133 120 or email nswhealth@aidacare.com.au

EnableNSW provides equipment and services to people in NSW with chronic health conditions or disability to assist them with mobility, communication and self-care. We also provide assistance for people who need to travel significant distances for specialist medical care.

Aids and Equipment Program - The Aids and Equipment Program is a NSW Government initiative to assist eligible residents of NSW, who have a life-long or long-term disability, to live and participate within their community by providing appropriate equipment, aids and appliances.

Information on eligibility for the program, the range of equipment available, the lodgement of applications, mutual responsibilities and expectations, and steps for complaints and appeals is outlined in the Policy Directive - "Assistive Technology for Communication, Mobility, Respiratory Function & Self-Care". **https://www1.health.nsw.gov. au/PDS/pages/doc.aspx?dn=PD2011_027**

People with a disability interested in seeking further information about the program should discuss their query with a healthcare provider, or Enable NSW on 1800 ENABLE (1800 362 253)

As part of HealthShare NSW, EnableNSW is responsible for the administration of NSW Health disability support and other assistance programs including:

- Aids and Equipment Program
- Continence Assistance
- Home Respiratory Program (HRP)
- Prosthetic Limb Service (formerly known as ALS)
- Specialised Equipment Essential for Discharge (SEED)

For more information, visit the EnableNSW website: http://www.enable.health.nsw.gov.au/
